VITAL STATISTICS

Year Founded: 1993

Number of Employees: 12,000 (20 Countries)

Annual Revenues: Over $1 Billion

WHO WE ARE

Hetero is the largest privately held pharmaceutical company in India. Hetero is the largest producer of Anti-Retroviral drugs and has 9 FDA-approved manufacturing plants. Hetero's vertical integration and new facilities, as well as ambition for growth make it highly competitive as a contract manufacturing organization. Hetero is also a leading international supplier with a rich portfolio of over 200 global API's and 60 US generics marketed.

MAJOR MARKETS

With 19 manufacturing facilities in operation, Hetero operates on a global basis.
