Company Description

Arkay is one of the world's premiere folding carton companies for 93 years. Arkay provides top global cosmetic and pharmaceutical companies with highly creative, cost-effective and eco-friendly packaging solutions.

Using the most advanced cutting-edge technologies in the business and working with a palette of decorative special effects – from vivid Spectrum colors to cold foil processing to Touch for that soft feel to liQuid for a gorgeous, shimmering veneer – Arkay partners with designers to meet any visual challenge.

With origins on the Lower Eastside of Manhattan, Arkay has maintained its position throughout 93 years of successful business as a leader in manufacturing high-quality folding cartons, supplying product to image-oriented and quality-demanding markets and conveying a message of superiority, uniqueness and exclusivity for the product it contains.

Today Arkay is a third-generation family-owned business with a long tradition of excellence in providing the highest quality folding cartons to some of the most recognized companies in the world. With production facilities in Hauppauge, NY and Roanoke, VA and corporate offices in New York City, Arkay positions itself to continue as an innovator and leader in this highly competitive industry.

Green Resources

Arkay is proud to be affiliated with – and certified by – Sustainable Forestry Initiative, Community Energy, and Forest Stewardship Council. Additionally, Arkay was honored to receive the AGFA Greenworks™ Environmental Recognition Award, due to our adoption of green policies and the progress we've made in reducing our carbon footprint.

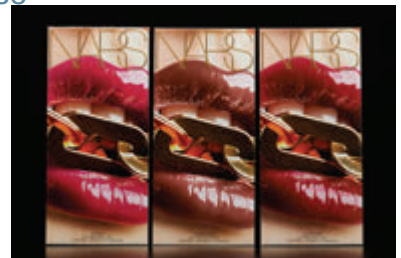

Arkay cares about creating groundbreaking, eco-friendly technologies and we are gratified to be acknowledged as a vanguard in this vital effort.

Capabilities

Arkay has outstanding in-house capabilities. Using our customers' concepts, Arkay can make any packaging project happen – from beginning to end. Arkay designs and creates the physical carton, as well as the graphics on the carton. We can provide you with mock-up samples of your carton and high quality proofs of your design. If your product requires special packaging inserts, we can help there, too. From start to finish: Arkay provides you with the best solutions for product packaging. We take your ideas and make them a reality!
