### Company Description

*Ingredia Nutritional is dedicated to innovative nutritional solutions.* Ingredia Nutritional specializes in the development, manufacturing and marketing of natural, premium and innovative nutritional ingredients and solutions, with scientifically proven efficacy.

On the market of dietary supplements, functional foods and drinks, and specialized nutrition (dietetic, sports, infant, clinical...), Ingredia Nutritional commits itself to supplying top-of-the-range ingredients, some of which have been granted official health claim authorizations, in a perspective of continuous innovation.

Ingredia Nutritional provides its customers with strong marketing and regulations support as well as customer-reliable partnerships, for the success of their end products.

Ingredia Nutritional produces a range of specialty proteins and hydrolysates with outstanding nutritional properties and optimal techno-functionalities for nutrition.
